GENERAL THINK TANK INFORMATION

Housed within the specially refurbished Victorian Wing of the Ipswich Museum and Art School Gallery, the Pacitti Company Think Tank is a building-based resource for the ongoing exploration and study of live performance and radical praxis. Pacitti Company welcomes broad audiences at the Think Tank, to a curated rolling programme of local, national and international events. These activate thinking and discussion around live art, performance and wider cultural topics. The Think Tank offers accessible, affordable public events, led by artists and experts from a range of diverse fields. These events and sessions are recorded by various means, so that a cumulative body of research and knowledge extends beyond the experiences of those present, into territories that serve researchers, students, archivists, practitioners and policy makers.
